Sharlene Wallace

Canadian harpist and composer Sharlene Wallace is a diverse musician performing, recording and teaching on both Celtic and pedal harps. Winner of the Lyon & Healy International Pop & Jazz Lever Harp Competition (USA) and the Dinan Concours d'Improvisation de Rencontres International de Harp Celtique (Brittany), she has given concerts and workshops across Canada, the United States, France and Italy. Sharlene's seven CDs express journeys of rhythm, spaciousness, the Canadian landscape, Classical, Celtic, South American and original music.

Her most recent CD, *In Night's Deep Silence*, is a tranquil Christmas album for harp and bass (George Koller). As well as solo concerts, Sharlene tours with George Koller (bass) and the Christmas trio, Harp & Holly (Sandra Swannell and Terry Young).

Sharlene continues to give workshops across Canada including annually at CAMMAC (Quebec) and Island Mountain Arts (BC). She also teaches both Celtic and Classical harps at Wilfred Laurier University, York University and University of Guelph. Her own harp performance degree is from the University of Toronto where she studied with the eminent Judy Loman. Sharlene has also been guest soloist on both Celtic and Classical harps with orchestras in Guelph Kingston, Belleville, Timmins, Sarnia/Port Huron, Stratford, and Oakville. Sharlene is principal harpist with Guelph Symphony, Kingston Symphony and Oakville Symphony.

WORKSHOP OUTLINE

Sharlene is one of our all-time favourite instructors, having brought us her essential style and techniques over many years of workshops and retreats. Her inimitable way of expressing herself and describing the joys and travails of learning the harp keep us coming back!

This season's sessions will focus on:

Inspiring yourself with a warmup. Get happy even before you begin your repertoire list.

Bringing power to your performance - digging deep for masterful intensity.

Secrets to Speed - when to push on and when to relax, how to smile and play fast at the same time!

An Ensemble piece for you and your friends, in duos and trios and more! We'll create our own soundscape this weekend.

And a handful of delicious new solo pieces, Latin and Celtic.
